

Dear Supporters and Friends,

Above busy schedule and power problem we had computer problem and update been delayed thanks for understanding our situation. This is the desire of our heart that all of you could see with your own eyes what and how the Lord is working through this humble ministry here at Ukhrul, India. Our God reigns and makes a way where there seems to be no way. Thank you for your earnest and financial support for this ministry.

Wormarak (Dropped out)

Just imagine with one small flash light six people walk together in the dark and muddy road to learn a, b, c, and read God's word for one kilometer. Now they have learnt and memorized Psalms 1. When they recite Psalms 1 in front of church congregation, it was a blessing for all and the Pastor willing to help in teaching time to time.

GRACE Home

Day before yesterday morning I saw our youngest son Ningmathot standing and sopping, when asked what was the matter "when I came to say, I am going to school, both of you were not there." We were attending our piglets and we are here... yes they need our present and support. Children are experiencing the parenthood of Almighty God and its our Joy that they are progressing in their studies and in different activities. This time we have two 'First in class,' one 'second in class,' and one 'third in class.'

CAAT Feast

For a purpose one day Camp for 100 children been arranged, but due to unavoidable circumstances at eleven hour it diverted to CAAT Feast. When the other door was shut God opened another door. By faith, without a single penny in hand we planed for this program involving a lot of volunteers and sacrifices. A hundred and fifty six (156) children came for the Feast and had a blessed times of sharing, God's Plan of Salvation, Singing together, committing lives to God and to share Good News with friends in their neighborhood and at school. God is living, moving and working through humble and available people.
